Handrails

# 10 REASONS

## WHY YOU SHOULD CHOOSE A GRACELAND PORTABLE BUILDING®

- [1] **Graceland** uses only the finest building materials. Our building's craftsmanship is well-established with authentic Mennonite methods.
- [2] **Graceland** uses 2x6 floor joists rather than 2x4 and makes the building more DURABLE and STRONG. This wood is treated to resist termites and decay.
- [3] **Graceland's** walls, floors and 4x6 runners are all constructed of top quality lumber and the nails are hot dipped galvanized ring shank. They hold like screws and will not rust.
- [4] **Graceland's** walls and floors are 5/8" thick. Compare to our competition at 7/16" or 1/2".
- [5] **Graceland's** metal roofs are fastened to wood decking and screwed down solid, not on 1x4 wood slats. This makes the roof much more durable.
- [6] **Graceland's** metal roof comes with a continuous ridge vent, designed with a screen to keep out pests (bugs, bees, etc.).
- [7] **Graceland** buildings also come with our patented "Continuous Soffit" vent under each eave. This is a "Graceland Exclusive". This keeps our buildings 10-15 degrees cooler in the summer.
- [8] **Graceland** buildings are designed to meet or exceed IBC (International Building Code) regulations for portable storage buildings.
- [9] **Graceland** buildings have the strongest warranties in the business. All shingle and metal roof products have a 25 Year Manufacturer's Warranty. All treated wood products have a Limited Lifetime Manufacturer's Warranty, and Graceland offers a 7 year warranty on workmanship.
- [10] **Graceland** also offers the best **RENT-TO OWN / LEASE-TO-OWN** program in the business. **"NO CREDIT CHECK"**. **FREE DELIVERY & SETUP** - Call dealer for details.

ACCREDITED  
BUSINESS

**A+ RATING**

# WHAT SETS US APART FROM OUR COMPETITION?

## "G" Board Radiant Barrier

(Available Option)

Roof sheathing designed to reflect up to 97% of the sun's radiant heat - keeping it from being absorbed into the attic of your building. That means you can maintain indoor comfort while lowering peak attic

temperatures up to 30°F. This high-quality roof sheathing combined with \*Graceland's Patented "Soffit Ventilation System" creates the "coolest" buildings in the market!

## Graceland's Exclusive Patented Soffit Ventilation System\*

Keeps the building 10°-15° cooler in the summer

For optimal ventilation. Reduces temperature and moisture in building during hot summer.

Without

Actual results from an infrared thermometer

- ✓ QUALITY MATERIAL
- ✓ QUALITY CONSTRUCTION
- ✓ QUALITY CRAFTSMANSHIP

- Seven-Year Graceland Warranty on Craftsmanship!
- Quality Standard: We have a stringent multi-stage inspection process to ensure quality and customer satisfaction
- Top Quality Material: We utilize top quality materials on each and every building, no "material upgrades" necessary
- Ventilation: Graceland's Exclusive Patented Aluminum Soffit Vents extend the total length of the soffit on both sides of each of our portable buildings. This allows our buildings to be cooler and drier inside than any other product on the market.

# QUALITY STATEMENT

**Graceland Portable Buildings®** is committed to providing the highest quality product, the most enjoyable purchase experience, and service that exceeds our customer's expectations. Our product is built by highly skilled craftsmen using only the best materials available to provide a product with the greatest integrity.

**Graceland Portable Buildings®** are designed and built to meet the highest building standards and meet all required state and federal specifications. This includes ensuring that we meet or exceed any relevant industry-specific regulations or standards.

**Graceland** operates a Quality Management System (QMS) to ensure that we deliver consistent high quality. Our QMS is accredited; and a copy of the certifications {State Specific Architectural Drawings} are available upon request. Our Plant Managers and Quality Control Personnel will take responsibility for ensuring effective quality management on each building we construct.

It is our desire that the purchase of a **Graceland Portable Building®**, not only provides a place of cost effective and convenient storage, it also enhances the landscape and adds real value to your property for years to come.

When the "**G**" is placed on our building, it is recognized across the country as a symbol of quality craftsmanship and design. From our patented soffit-vent to our custom G-Board, Graceland Portable Buildings® set the standard for excellence.

To find Proven Quality, look for the "**G**"!

**Greg French,**  
*Chief Executive Officer*

# FREE DELIVERY & SETUP

Our delivery fleet operates with custom built tilt bed trailers and uses a portable hydraulic Mule to easily place the building in the most desired position with minimal damage to your lawn.

To ensure this, the following must be in place:

- Clear access to desired location (no fences, trees, power lines, etc.)
- Lot is no more than 30" out of level in the length of the building.
- Delivery within 50 miles of local dealer.
- Ground conditions must be suitable to support weight of the building and the moving and set-up equipment.

Graceland guarantees the building to be set up properly to ensure your total satisfaction.

# WHAT'S INSIDE?

- Patented Soffit Ventilation System - keeps our buildings 10-15 degrees cooler by allowing the air to circulate throughout the building.
- Galvanized Ring Shank Nails: Will hold like screws and will not rust
- 5/8" T1-11 Pressure Treated Siding and Duratemp
- 2x4 Reinforced Entry Doors
- 2x6 Notched Floor Joists
- Superior Quality Lumber
- Screened Ridge Vents
- Treated 4x6 Runners
- Hurricane Ties

# EASY PURCHASE OPTIONS

- No Credit Check, **YOU'RE APPROVED!**
- Pay off at any time with no prepayment penalty.
- When your last payment or your early payoff is made, you will own your building.
- No credit history qualifications.
- Store your items at home with 24/7 access, unlike storage units across town.
- Your building can be moved when you move, just call 888-GRACE-04.

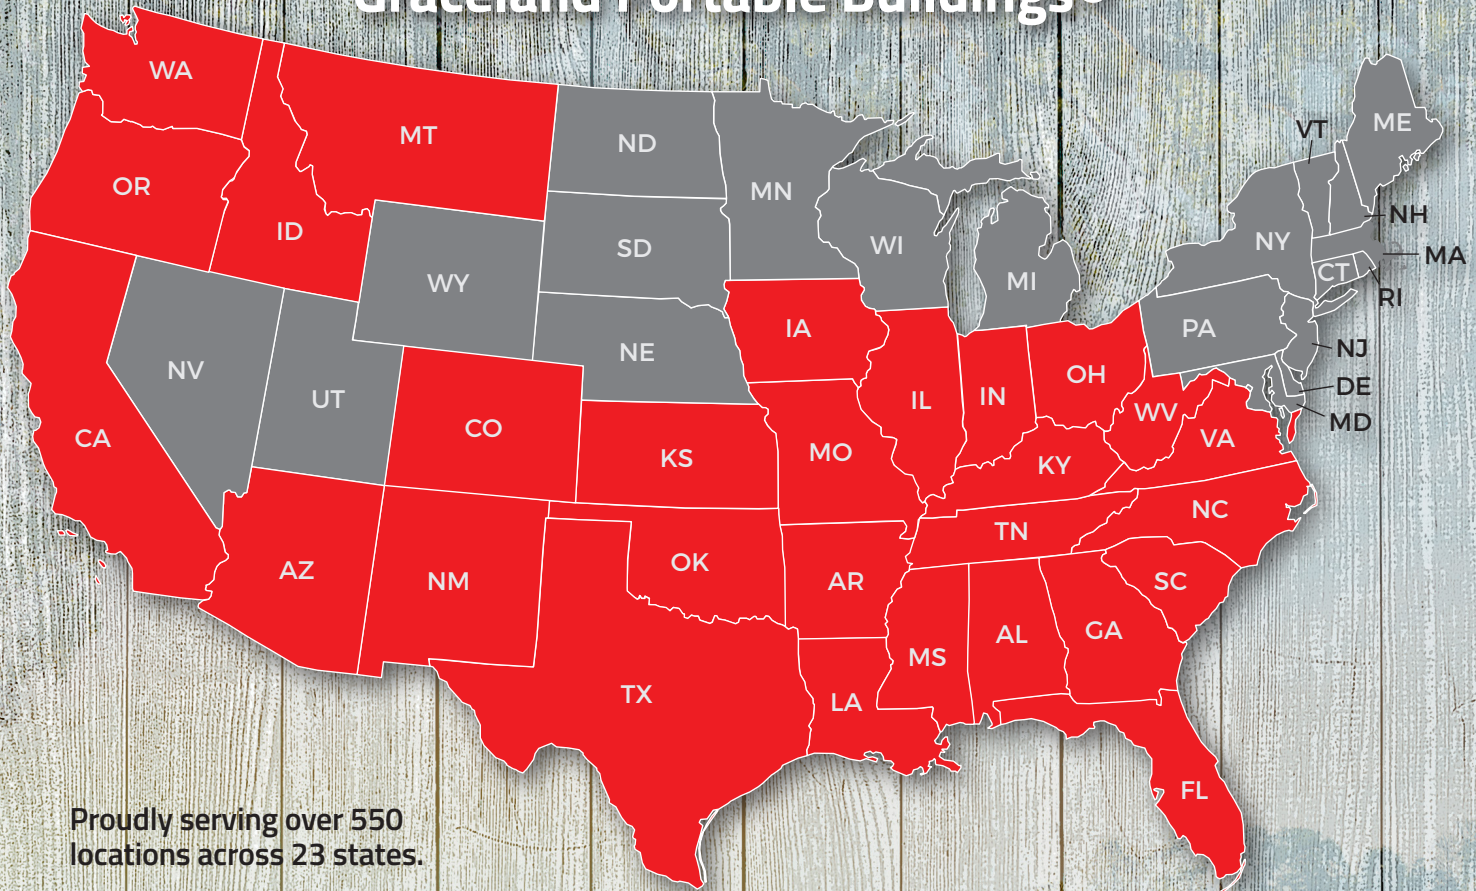

## RENT TO OWN / LEASE TO OWN

...is a great choice for many circumstances. You are not required to keep the unit. If your building becomes a financial burden or for any reason you no longer need the building, simply give us a call and we will promptly pick it up and your credit will remain safe and sound.

# Graceland Portable Buildings®

Proudly serving over 550  
locations across 23 states.
